

Know Your God

I believe the church is in trouble in our age, in part because churches have not encouraged their flock to be Biblically literate, but instead to be a place of love, service, unity and support for daily living. There is nothing wrong with any of those things. But, the Bible & Prayer are our main survival tools, and when they are not primary, the church weakens. If you know your Bible life is easier to navigate, but more importantly as the church, it keep the church clean from the mess we see today, which is the blending of the world, the false holy spirit, apostate viewpoints, hugging to social issues over scripture, etc. and mixing them into the church and calling it Christianity.

In these last days before rapture and then the anti-Christ gets all his power, those of us that are in the fight are fighting a lot of spiritual battles, because we are effectively helping to restrain evil and protect peoples souls with truth. An important thing that I would think most Christians would agree is the desire to be sure you are in good standing with God, and be sure to reject things that are false. But satan, being the tricky little devil that he is, is very sly and makes a lot of almost truthful statements and ideas, and activities for us on this world, in an effort to entangle Christians. If you have not had good shepherding, which I can 100% believe, since we ahem lived in so many cities and found one good church amongst them, then this I hope is a short cut to helping you and perhaps anyone you are helping to understand the differences between good and evil. Sometimes that line appears grey. To me, the only way to define the differences between the two is to know all you can about team God, and then a bit about team satan, (which will be in the **Know Your Enemy Video**) once those are well defined, the fight becomes more clear.

We have to be confident about who leads our team. This means knowing not only the basics, but the character, the names, the powers, everything... Then we will contrast the same in the enemy. Once those are defined we will get into effective warfare, and what elements to evaluate if your warfare isn't working.

Satan Will Not Win

- 1 John 3:8: "The Son of God appeared to destroy the works of the devil."
- Hebrews 2:14: "Christ took on human nature that through death that he might destroy him who has the power of death, that is, the devil."
- Colossians 2:15: "God disarmed the principalities and powers and made a public example of them, triumphing over them in him." In other words, the decisive blow was struck at Calvary. The rest is like watching a game of chess play out when the Victor knows they have won.
- Mark 3:27: "No one can enter a strong man's house and plunder his goods, unless he first binds the strong man."
- Revelation 20:10 says one day the warfare will be over: "The devil . . . [will be] thrown into the lake of fire and brimstone . . . and will be tormented day and night forever and ever." (See Matthew 8:29; 25:41)
