12:36am-2am

Hear the Word of the Lord & After Rapture Dream

12:36 (Hebrew- biqa- a plain— a breaking or dividing of something of something in half, from bekah- a standard of Measure and a wide valley division between mountains— greek- diago- to carry over, to lead through, to pass time or lead a life- to send across)

Hear the Word of the Lord.

The Time is come.¹

The Time is here.

Many will see.

My Bold will be on the earth.²

They will not care what others think.

Their goal only to represent Me.

The Faithful Spared—

Sustained in the war will be My Living Proof that I care for My Own—

And that I care for those with True Faith.

How I will provide will shake those left to see.

It will defy logic.³

This will open hearts to understand—

That all of the ways the evil one has told the world how God is wrong.⁴

Those who have forgotten to ask, "Why?" "How?"

Those thoughts will return.

There will be an obvious contrast between True Love and evil.

My People will be benefactors of True Love & Protection.

The Miracles will not be able to be explained away in other ways.

There will be no other way to explain—

A sole home standing without damage in an area ruined by bombs.

There will be no other way to explain—

A Home with lights and water when the sources of those have been shut off.

There will be no way to explain—

Provisions for others when the sources of food have been shut off.

My People will be spared.⁵

My People will provide for others.

See who will see something different.

When My People explain that God provides for those with True Faith they will hear.

My Bold Love will be evident—
As will the horrors of the kings—
People will see.

My Bold Ones—
My Bright Ones—
They shall return to share the gospel.
They will not have any man, beast or form of spiritual darkness—
That will be able to harm them.

Anointed with My Power—⁶
They will tread the earth changing people.
They will heal.
They will Love.
They will give the option to follow My Son.

People will be drawn to them.
Most because they have seen My Provisions through the Faithful.
Much Like People were drawn to My Son—
Some will be drawn to hear My Words.
Others drawn in hopes to be healed.
Large numbers of people will come & be healed—
And will become part of My Family.

Our numbers will grow quickly as I draw My Own to Me.
This is unexpected.
The kings will not be happy.
In their plans they will not believe—
All of the methods they planned for were flawed.
To take the people
To cut off their hope
To control by fear, starvation & homelessness
They will not believe that these efforts are being threaten by the Faithful & the Anointed—
All who are agents & willing vessels for Me.

This will cause them to look for the people they deem a threat to their plan.
Rest assured ALL of My Servants will be safe.

But, the Bold Ones —
The Anointed will be hotly perused.
They will be looked for and chased after.
Traps set in fire, groups with weapons, teems of people in anger.
No thing a man can make or try against these Bold Ones, will be effective.
They will not be affected by germ, warfare or tools of war.
They will walk through fire.
They will be able to help others to safety.

They will have the same protections Jesus had from Me—
He was able to walk right through a crowd without notice.
He was able to speak Words to stop the pursuers.
The Bold Ones will also have My Power flowing through them as defense and offense.
They will not be derailed.⁷
They will be sent in teams.
All able to do the same—
However each fitted with special strengths, unique to them.
They will be a force nothing can stop.

All traps man sets will turn out to be platforms to share My Gospel.⁸
This will befuddle & paralyze the enemy.

In a very short time—
My Bold Ones will change the majority of hearts.
Scales will fall off of eyes.⁹
Ears will open.
Many in error will repent.
Those that reject My Bold Ones—
Woe!¹⁰
Rejecting My Bold Ones Means rejecting Me!
And will be left for the Great Tribulation, who reject Me.
My Wrath will be full on those left.

No one has seen the wonders I AM about to do.¹¹
My Love will spill over to all who will soften their hearts.
This is where the Holy Spirit will shine more than ever before.
Only those who accept & embrace the Holy Spirit will benefit.

After the chaos, and after the war—
Those without My Protections—
Like the Faithful will have—
Will be broken.
Ready to hear.
Ready to have the Holy Spirit.
Ready for My Son, to rule their life.
All that they used to value will have been stripped away by the kings.

The war it's just part of the plans of the kings.
They will also be trying to control all the people as a result.
They will offer shelter & food—
But in these places, they will require very strict rules.
They will demand all shots be up to date in order for safe housing.
The shots they will require will be filled with things—
Bodies of humans will not benefit from.

They have in place—

Plans for those with homes standing—

That a forced housing of other people who are homeless be allowed with—

In some areas.

They will also have in place strategic governmental agents—

To try and move people from areas.

Be warned!

If you move out—

You will not return.

If you trust Me,

I will provide.

If you trust man—

You will be a pawn in their goals to decide where people live—

Making some spaces off-limits.

They will claim this is for safety.

They will encourage this for sanitation.

But their end goal is to move all populations to spaces they deem controllable.

The safe cities—

Ones they direct people to—

Will have the ability to monitor everything.

These spaces will be free spaces at first—

But after the Antichrist arises—

Each city, the kings pushed people into will become closed prison communities.

Passage will not be allowed out without approved reason.

Food not allowed without the Antichrist Mark of the Beast.

People out of the cities will be outcasts.

They will be the Rebels and the Hiders.

But the cities will exist by the willful relocation of the residents.

At first, this will be for those who do not hear My Voice—

Those who do not Dance to the tune of the Holy Spirit—

Those that trust man.

Those that see My Miracle and are with Me—

Will be guided to safe spaces & taken away from evil Men—

And be in small community of believers.

They will pray for one another.

They will be close like family.

Unlikely friends in the past will be close because of Me.

As the Anointed move about positively affecting people—

And as the evil kings push forth with their plans—

My Love will be taking over.

The few believers now—

The few Faithful on the Earth that will be used to be My Vessels—
Will start a powerful source of Love by being My Vessels.

This will grow as the Anointed move about.

When the time has come—

I will send forth for all of My Own—
And the World Wide Rapture will occur.

This will be a devastating event.

The world will be getting back to normal.

And millions will disappear off of the Earth—

Disturbing industry, economics, and every country on earth.

No one can calculate the impact of this—

Not even those filled with the most wisdom in man's ways.

Each country will be in a crisis.

This is when the Antichrist will arise.

He will offer solutions.

At first it will seem to be a democratic process.

People will crave this leadership and willingly agree to having him rise up.

But soon after he will change.

Just as the False Messiah is a chameleon and will entrap,

The Antichrist is clever and will willfully lie to tell people what they wish to hear—

Having no intent to attain the goals.

The Antichrist—

For most, is to be feared.

But for those who find Me after the World Wide Rapture—

And when the Antichrist turns his mood—

Those that are Mine shall not fear this beast of a man.

They will trust Me with more intense belief than all generations before them.

The Antichrist will of course enforce that no other religions will be able to exist—

Only the worship of his idols—

Paganism.

But Mine will have nothing to do with this.

They will be fugitives of the law just as Daniel or Shadrach.

They will be marked for collection and killing just like Esther and My People.

Many will hide.

Many will be safe.

Some will be caught and sacrificed for the Antichrist.

But I will show Mercy to them, and they will not feel pain.

When the Mark of the Beast comes—

Those that take it will be eternally changed.

Those who take it will be stripped of everything good.

No ability to Love.

No ability to heal.

No ability to forgive.

They will be filled with hatred.

They will be filled with deception.

They will be filled with lust—

Lust of money, food, sensual, needs, and desires.

They will lack any moral compass.

**I was told to relay A dream I had back in April about what happens Right after the Rapture.
—Insert Dream here—

I will have Mercy on all who come to Me in these times.¹²

They will be spared with My Own in the judgment to follow.

The gospel will spread quickly among the Rebels.¹³

Those who do not come to Me—

Will be found and turned into a slave labor force—

Until needed for human sacrifice.

The Antichrist will promise luxurious accommodations and food & money—

To these who bring Hiders to him.

A few will receive the accommodations as presented as social bait to motivate the others.

Man will turn upon man to achieve these accommodations.

Man will also turn in any Hiders they see, or know of, in hopes of self preservation.¹⁴

This will be a dark time.

When the Mark of the Beast is global¹⁵—

Which will be mere moments after the World Wide Rapture,

The separation will be final.

Those who choose willingly to go and receive the Mark of the Beast—

And swear their allegiance to the Antichrist—

Those will all be marked for wrath.

Those Men and women will be completely altered to be filled with all evil.

All things, wicked, perverse, evil, debauchurous, will all be normalized.

Like minded people will band together.

Those that, like the same type of debauchery will live together in communities—

That allow and promote the type of sin they prefer.

They will all be slaves and work consistently to be sure the Antichrist lives well—
While they are kept at survival levels—
With just enough food and income to keep them working.
There will be continual hatred and murders between people.

Just as heaven will be everything good and nothing bad of this life—
Those within the new cities, will have the opposite—
Everything bad and difficult about this life and nothing good, kind or right.

It will be a terrible time.
A precursor to the misery of hell.

Do not take part in this misery on earth.
The deceiver wishes to promise—
And then entrap as many as he can collect.

Choose Me.
Be provided for.
Become part of My Family.
The witnesses and benefactors to My Amazing Love and Miracles and Provisions—
While on this earth.

Things are about to change.
Like dominoes stacked, able to fall one upon another.
The first is about to fall.

Get under My Wing before the evil hits with full force.¹⁶
I AM Mercy.
Trust Me
I will provide a life beyond way you can properly imagine.
But you must come to Me with Full Faith.

God.
