Obedience/You Already/Holy, Holy, Holy

1

Obedience¹—

To see with supernatural eyes and dance.

No one in Julie's team exemplifies the ability to listen and move with Me better than Alain.
He is in the habit of bringing me all of his cares & listening to Me.

I speak My Words to him—

And explain mysteries of My Word and Plans.

I often press him with words to share that are Mine—

But they are for another.

I confirm, prepare and guide others with his flexibility to share My Words with the other.

I have requested much from him and he follows My lead with impressive tempo.

His delight is to hear Me.

At every turn—

Which does not matter the things I ask,

He boldly follows.

He leads his family based on how I Guide.

His Faithfulness & Ability to know what I say & Obey is of High Value.

I can Trust that regardless of what I say—

It will be done.

He walks this earth with Kindness & Compassion and boldness from Me.

I have blessed him with provisions with or without a worldly source of income.

I have blessed him with the ability to have ease of days while having plenty—

At the source of the work of his hand.

And I have blessed him with having plenty—

Without a traditional income—

When I so led him to do this.

I have led him to follow Me in extreme Faith.

No matter how logical or illogical it has seemed—

He always follows.

This obedience is at levels most could not comply with.

Why?

Because I needed to train him to be fully dependent that I care for his every need—

And I can do more than he can ask or imagine.

His unwavering obedience has made him exemplary in My Eyes.

Alain will do many missions for Me.
He is Anointed.

Alain is what I request of Mine to do—
Listen & Modify their daily life in any way I ask—
While simultaneously staying focused on Me to hear Me.

Alain is good with people.
A blessing to many.
But, when I told him to draw back to be with Me exclusively—
He did this without question.
When I asked him to humble himself before others—
He has done this time and again.
When I press him to plant seeds on My Behalf—
He does this with great skill & grace.
I can count on Alain.
It is My Delight to talk with him.

His Faith & Obedience make him worthy to properly hear.
His Holy & Gracious Nature make him worthy to lead.

Why do I tell you this?

Alain has mastered Hearing Me & moving with My Spirit.
He is what I desire of All My Own.
Rarely does a person achieve the intimacy with Me that he has—
But this is what I desire from all.
Alain will be used in a Mighty Way for Me.

Why?
Because I can count on him.

He faithfully sets time aside just to meet with Me.
He leads his family as I have set up in scripture.
In your Age—
He is a rare man and one of the best family leaders.
The Family Unit is to function well by the Husband and Father focusing on Me—
And leading through My Wisdom.
In the Age in which you live—
Many women have taken this role—
Or no one takes this role.
Many men do not seek Me First.
They seek career, pleasure and the things of this world which distract.
But I, the Lord God, if I am on the list at all—
I am not high on their priority list.

I set Alain before you as an example of how to keep Me as a priority to lead others.

Alain could not be as effective as the Spiritual Leader and Provider of the Family—

 If his wife Jamie was not as Biblically Submissive and Flexible as she is.

She has loved Me for a Lifetime.

She has wisdom beyond her years.

She could easily try to usurp the Family Structure I have set in place & try to lead.

But, she Obey's Me.

She hears My Voice and she does as I ask in Full Faith.

By stepping back—

 She has allowed her husband to lead & lead with excellence.

I can Trust them both—

 Because even when the culture—

 And those around them pressure them to live differently—

 They keep My Family Structure.

I Bless this.

Because they Obey Me—

 They will hold Prominent Leadership Roles in My Kingdom.

 I will work Mighty Works through them for the Kingdom.

I have walked them through insurmountable difficulties—

 That the enemy has thrown—

 Because they follow My lead they come through them with ease.

Because of their willingness to Listen and Obey Me.

Soon they will be here @ Giboa.

I will have them train as a Family—

 And Bless them with the Joy of working together in Special Missions.

Because of their Obedience & Faithfulness—

 Their son is being raised in My Word & on My Path.

 He is a rare child filled with passion for Me.

Why?

How?

Because I have a plan—

 When the Fathers come to Me & lead up their young—

 As a living Example of Holiness to them—

 It inspires their sons to follow in these footsteps.

He is a rare child in his generation.

He has a passion for Me.

At a young age I began to speak with Him—

 And he was taught by his father to write down My Words.

I tell him things that are to come & I send encouragement through him.

As a child that has Me as his Focal Point—
He devours My Word.
I Bless this by making it easier and easier to recall.
He will be an effective Missionary—
With more Knowledge & Wisdom than many twice his age.

This goes back to Alain—
By leading his household in My Way.²
And it goes back to his Mother Jamie—
By imparting her Love for My Word to him.
The Family Unit that I designed is supposed to look like this.
It is designed to create children that have a passion to know Me.

Their collective Obedience & Deep Connection with Me is very rare.
They will be set to Lead Others.
I know I can Faithfully set upon them Highly Important Missions—
That will bring Key People to Me.

The success of this family is because of the initial ability to set aside all for Me—
By their Leader, Alain.
This is not different than what I am looking for in those I will use to soon work My Miracles.
I am looking for those who step away from the culture and want Me as their highest priority.
Ones who take time to hear My Voice & then Obey it.
Those that keep tempo with the Holy Spirit.³

Why?
Because these will lead.
And Leaders must have Mastery over Listening & Obeying⁴—
In order to Lead Well.
In order to bring those in their care to Me.
In order to show the world My Ways.

Some of you are women—
You have husbands that have not lived like this example.
That is between them and Me.
You are to live as I call you.⁵
If you are called to fill the gap⁶—
Then do it without guilt.
Perhaps I called you to lead?⁷
Do so with humility and kindness—
Do not follow the women of the world with disrespect and aggression.
Perhaps you are single or live under another's roof.⁸
Being fully submissive to Me & Obeying with Humility & Grace is what I require.
I will gently use you to lead from within or surround you with those to lead.

If you can Listen & Obey Me effectively then prepare to be used.⁹

I do not hold up Alain in an expectation that only Men can lead. No.

I hold up Alain as an example of one who follows My Instruction—

And because of this he is legitimate in My Eyes to be able to lead well.

For this, he and all like him will be used in a Mighty Way.

I Call to all.

Those that will hear My Voice and Keep in Step with the Spirit—

You will be My Willing Vessels.

I will show the world wonders through My Willing Vessels.

By Listening and Following My Lead—

It assures Blessings will fall upon you.

However, those who are Blessed by Me—

Are also attacked fiercely by the enemy.

All of those who wish to be used and will be used as My Willing Vessels—

MUST stay in "Fight Mode" always.

Keeping their Spiritual Armor on.

Always assessing the Spiritual Situation.

Always Walking in Prayer for the Spiritual Warfare that rages about.

Those that walk with Me will be Coached through this.

This is not to be attempted in your own power.

No one walks alone.

Come to Me in Full Faith.

Read My Words.

Hear My Words.

Be moved by My Holy Spirit.

Be guided thought your daily tasks & challenges by Me and My Ways—

The God of the Universe.

Call on My Son Jesus—

There is Power in His Name.

I have all the tools for your success.

Come & Take part!

Come to Me.

Learn to Hear Me.

Learn to Obey Me.

You will be Blessed beyond measure.

God.

2

Some of you are just as Alain.
You already hear My Voice.
You already Dance with the Spirit—
 And move when He says Move.
This is excellent and to be Praised!
You KNOW Me.

You affect those around you for Me.
You are guided by My Wisdom for your life.¹⁰
Your continued growth & pliability to be changed by Me are of High Esteem.

All of heaven rejoices for all of Mine who are like Alain.
You are few in your generation.
You know.
You see the difference in how others live.
Stay Steadfast in Me.
My Return grows near.
I see your Faith in Me and My Father.
Your Blessings to come are around the corner.

Pray for those that need to take steps to come closer to Me to Hear and to Dance.

I know You.
Some will come with the Anointed.
Others will stay to lead those who do not hear My Voice well enough to Walk with the Spirit.
 You will help bring them to Me in a closer way.¹¹
I Love and marvel at your strength in these times.
Your patient endurance is to be praised.
I Love You and long to see you.

Jesus

3

Holy, Holy, Holy,
Is the Lord God Almighty.
Who was and is and is to come.

The Family of God is about to be united.¹²

Young,
Old,
Rich,
Poor

The Great Harvests are about to come in.
Bringing in all The Lost Sheep.
Rejoice!

Be flexible.

Man's wisdom is not able to understand all that is to come.
I have given you a guide through My Own and through My Word.
As things unfold—

Rest in Me.

Call on My Son Jesus.

Proclaim, "Jesus is the One and Only Messiah!"

Do not concern yourself with the... What, Why, How & When.

Concern yourself with My Word.

Concern yourself with Listening to Me.

Concern yourself with Obeying Me.

Concern yourself with Staying Available for Me.

I will protect and provide for My Own Family.

Just as Alain does—

With Grace, Patience & Mercy.

With Training, Example & Kindness.

But above any Man—

I will also provide with Miracles, Protections & Supernatural Power.

Be Prepared to see My Wonders Church!¹³

Now is the time to seek Me with your Full Heart.

Change is but moments away.

God.
