

## Rescuing the Hiders Dream

Dream Interpretation.

We all are familiar with Balaam's donkey in Numbers 22 which tells us that Animals have much to say, it is just that they are not allowed to speak with us on this earth.

**Numbers 22:28 Then the Lord opened the mouth of the donkey, and she said to Balaam, "What have I done to you, that you have struck me these three times?"**

and that animals can reasoned a different spiritual awareness than we do: she saw the angel and had a mind able to take caution:

**Numbers 22:33 The donkey saw me and turned aside from Me these three times. If she had not turned aside from me, surely I would have killed you by now and let her live.**

**And Psalm 148 tell us that all creation Praise to the Lord.**

**Psalm 148:7, 10 Praise the Lord from the earth... Beasts and all cattle and all creating things flying fowl.**

**Psalm 150:6 Let everything that has breath praise the Lord.**

We know God communicates and can direct animals to a particular location and to interact in certain ways with humans because of Noah. Look at

**Gen 7:9 Two by two they went into the ark to Noah, the male and female, as God commanded Noah.**

After I had this dream I really had no issues with the idea that dogs and humans could communicate or that the Lord could use animals to rescue people.

---

My issue was that I could not see a precedent set, besides Jesus, of having the abilities I had to see into souls, dreams, and people's life elements, as well as see in real time beyond the walls of my building. I could imagine the Lord could direct people to find a person who could help them, but to me if a dream doesn't align with scripture then I let it go.

Then Elijah(another Benjaminite in my dreams) and Daniel came to me in a dream-

Elijah = My God is Jehovah

Daniel = God is my Judge

So these both represent Godly counsel and are both known for their depth of intimacy with Christ

They both told me to trust my dreams from God and then Daniel read me Samuel 7 and explained the parallels and I could see with his skill that it all clicked into place.

But, Daniel explained to me how to better understand 1 Samuel 9 regarding how Saul sought Samuel(a Benjaminite) ~ Remember Samuel was the 1st recorded miracle in a crescendo time- in that he heard from the Lord in a time this was not happening, so he was blessed and chosen and was the starting point for that crescendo.

---

\*Saul caught Samuel (like the people were seeking me)

\*\*Samuel told Saul specifically what to do before he would help him, but notice these activities and words:

\*go to the sacrifice with me (to have communion and remember Christ's sacrifice, and be pure of heart first)

\*eat with me (this is a cultural time to share food, sure, but it is more about communicating and being family in the culture of the day- we are family in Christ)

\*then tomorrow I will tell you ALL that is in your HEART  
(Hebrew is lebab: which means the will, or inner man)

But notice this: Samuel already knew what was on his heart. Also notice in their culture when greeting, they would touch, hug, kiss, this was normal. So Samuel touched him and knew all of this:

\*His concerns: where his donkey's were & on whom was the desire of Israel regarding him and his father's house: because he was from the least of all the families of the smallest tribe. ~ So he didn't feel worthy to be chosen King.

Now, let's look at Day two; how this played out:

Day 2: vs 26 Samuel got up, went to the roof and woke Saul- BEFORE DAWN

\*1 "Get up that I may send you on your way" ~ Samuel had a plan for the day, and it started early./ there seemed to be a structure established of how my gift worked and what the people did in interacting with me.

\*Sam sends the servants ahead so he could have ALONE/Private time with Saul/ and Sam told Saul "I will announce to you the word of God" (v26?) / I was there to tell them privately what God had told them in a dream

\*1 He anointed Saul w oil on his head: essentially giving him the Holy Spirit anointing of a priest... which all the people in line had, bc they had the shekina.

\*THEN he told him 5 things that would occur and in those 5 things were directives of where to go and what would happen.

1-meet men by Rachel's tomb in Benjamin : they will say The Donkey's are found (so 1st- easing Saul's anxiety over the world stresses he brought in )

2-GO to the palm of Tabor: 3 men going up to God @ Bethel: they will greet and give you two loaves

-1 with 3 goats

-1 w 3 loaves

-1 with skin of a wine

\*\*This was a daily offering, that was for the people, from Ex 29:38ff, this was the place that God would speak with them, keeping the tabernacle sanctified and reminding the children of Is that God is their God that brought them out of Egypt (prob the BBQ smell)

\*\*The grain offering or two loaves is sig bc Lev 2, it was the most holy sacrifice; made of new grain, of the first fruits barley, a symbol of God's presence and being thankful to the Lord for supplying their needs: this symbolized that every aspect of their lives including the daily labor needed to bring the grain to the temple was dedicated to God... so they gave him their priestly portion of this offering symbolizing Saul being dedicated to the Lord for a mission- the mission of being King

3- Go to the hill of God @ the Phillistine garrison

-a group of prophets will be coming down from the high place

\*with stringed instruments

\*a tambourine

\*a flute

\*a harp

-and they will be prophesying

\*then the Spirit of the Lord will come upon you and you will prophesy and be turned into another man

4) let these signs come to you that you do as the occasion demands FOR GOD IS WITH YOU (god will keep the people omission safe)

then 1) go down to gilgal before me (7 days before & wait)

2) I will come and make a sac of peace offering (animal sacrifice with grain and wine offering)

3) I will show you what to do

\*\*\*Saul turned to leave and God gave him another heart @ that time (when I helped them a few times they knew how to hear god, perhaps they also had a new heart upon the 1st?)

\*\*And it happened that all who knew him formerly saw that he indeed prophesied among the prophets - What has come upon the son of Kish- those

they are sent out to help on missions, will see they are different and holy. All could see. All will see.

\*see chart one side Saul and Sam 9

---

So I believe there are indeed some parallels that say me or there will be people like me that will be raptured and aid in those left behind or that are in leadership over those of us that are directed to help in the rescue vision pre-rapture. I am open to understanding the timing. These that come back, or are elevated in a leadership capacity- either way- will be perfectly protected. And there will be very specific missions that after a short testing of faithfulness period, they will independently be able to hear and perform God's work, protected from the enemy. And my favorite part, it appears the Lord will use animals to assist in all this, which is fantastic.

# Saul Seeking Samuel ~ 1 Samuel 9

## Day 1

1 Saul sought Samuel

2 In my dream Daniel reminded me it was cultural then to touch and embrace when you met a person- so they touched

3 Samuel told Saul specifically what to do before he was going to help him... but notice the activities and words:

- ◆ go to the sacrifice with me
  - this was a peace sacrifice (the only BBQ they were allowed to eat)
  - this is similar to communion remembering Christ's DBR
  - the purpose of both = **to be pure of heart & grateful to God**
  - animal, bread, wine
- ◆ eat with me
  - this is a cultural time to share food
  - a time to about communicate
  - middle eastern = share a meal = **family**
  - today we we are family in Christ, seeing the Bible as our meal
- ◆ then tomorrow I will tell you ALL that is in your HEART
  - heb. lebab: the heart, **soul**
  - he was expected to stay
  - Samuel who had certainly touched him already **knew his heart**

## Day 1

1 The line of people sought me

2 I touched each person as they came up to my area w/ my right hand (supported by my strength which is: God and his wisdom)

3 I don't know how these people knew about me... but look at some interesting parallels

- ◆ they were Christians with the HS: **so pure of heart certainly grateful to God** post war and post rapture
- ◆ these people were not as skinny as the hidiers or the evil ones, perhaps we ate? perhaps they were **well fed on the word?** But def. **family**
- ◆ they **came back** 2-3 times before being independent and after touching them, I explained their dream, and I **knew their heart** and certain things about their lives

# Day 2

- 1 Samuel get's up before dawn
- wakes Saul to leave
  - Samuel had a plan for the day
  - there was a structure

- 2 Samuel sends the servants ahead
- Samuel wanted **privacy**
  - "I have received a **special message for you from God**"

- 3 Samuel Anoints Saul
- Olive oil (**symbol of the HS**)
  - I am doing this because the Lord has appointed you to be ruler over Israel, his special possession (his **mission**)

- 4 Samuel tells Saul 5 **Specific Things** that will happen when they part:
1. 2 Men besides Rachels Tomb @ Zelzah(on the border of Benji)
    - Samuel eased Saul's primary **anxiety**- the donkey's are found (his family possessions)
    - this location:
      - Jacob set up a pillar on her grave
      - considered the "heart" of Israel
      - Jer 31:14-16 She will weep for her children and plead mercy upon her grave

# Day 2

- 1 Samuel get's up before dawn
- I am always up before dawn
  - I always have a plan for the day, I doubt this changes in my future
  - there seemed to be an established structure and **everyone** new it, it was orderly

- 2 I was away from the line
- I had a **privacy** barrier of
  - I was **translating their messages from from God**

- 3 I was not involved in the anointing
- All the people in line had already the visible **Holy Spirit**
  - each of their dreams had specific directions for their specific **missions**

- 4 I was telling them **Specific Things** that they needed to do, people to find, places to go, when they depart:
1. very specific locations
    - human anxieties addressed 1st
    - this was post war- so likely much mourning

## 1. Go to the palm of Tabor

- 3 men going up to Bethel
- they will greet you
- they will give you 2 loaves
- You will know them by:
  - 1 man w/3 goats
  - 1 man w/3 loaves
  - 1 man w/ a skin of wine
- they had the items of the daily offering
- the 2 loaves was the priests portion
- the loaves were made of first fruits barley flour
- loaves symbolize Saul being dedicated to the Lord's service for his mission (being the king)
- location is
  - Deborah's Palm of Judging
  - Where Deb told Barak to gather 10k men for war
  - Issachar, Naphtali, Zebulun Borders
  - An international Tradeway from Megiddo(Armageddon's location) toward Damascus in Syria

## 2. Go to the Hill of God @ the Philistine Garrison

- a group of prophets will be coming down from the high place prophesying
- how to identify them:
  - stringed instruments
  - a flute
  - a harp

1. Very specific location directions
  - details about those to meet
  - details about how they will interact
  - meeting holy people
  - very specific directions that have spiritual significance
  - food was for the priests/Christians
  - Barley Harvest first fruits grain already harvested: seems like I had supernatural abilities so to me felt like post rapture

2. Another specific location
  - meeting holy people(3rd time)
  - how to identify them:
    - worshiping
  - the 2nd meeting = Holy Spirit Descends upon the ability to prophesy
  - the new man

- then the Spirit of the Lord will come upon You (anointed w the HS)
- and you will prophesy
- and be turned into another man
  - heb another = different;
  - following another; new - ie.
  - following God's directions not his own

1. Let these signs come to you -
  - do as the occasion demands
  - for **GOD IS WITH YOU**

1. After following directions and doing as instructed and getting the anointing of the Holy Spirit
  - KNOW God is with you**(trust)

## 2. THEN

- Go down to Gilgal
  - stones @ = memorial of crossing the Jordon
  - the place of teaching the younger generation about God's faithfulness
  - the place of consecration & change & circumcision
  - a place of worship
  - a place of judgement
  - a place of prophets
- wait 7 days before I come to meet you
- I will come and make a sacrifice of peace offering (same as when they met)
- I will show you what to do

## 2. Further specific directions

- go to the holy place and worship, be taught, be consecrated the place of equipping?

The Puppy was taking hidens to safe houses: places with holy people & teaching & safety  
(So this must exist: the end times Gilgal)

- the perfect amount of time (perhaps the date of their 2nd visit?)
- second peace offering
- further instruction at that time

## 5 The results?

◆Saul turned to leave and @ that time, God gave him another heart

- heb: different as above

- heb: heart as above

- so:

- heart craved after God even before his mission began

- heart was changed before full anointing of the HS

◆It happened that all who knew him formerly SAW he indeed prophesied among the prophets

◆Saul went on to be King when he used his tools properly and depended upon God he had success

## 5 The results?

◆Dreamers turned to leave and @ that time, God gave them a motivated heart

- heart craved after God even before the mission began

- (to stand in line)

- heart was changed before full anointing of the HS

- (some had more HS than others)

◆People who knew them will recognize them but know they are different

◆To be able to prophesy you need to be able to decode your own dreams and no longer need me.

◆In the end- after visiting me 2-3x the dreamers were independent and had all the tools needed for success
