## The Workers of Missions

The Mighty Warrior/The Order/Timing/My Mighty Army!/Focus/Understanding

### The Mighty Warrior

Mary is a Mighty Warrior.

Her Passion is for all to know Me.<sup>1</sup>

Her Pain is in thinking anyone will perish.<sup>2</sup>

She is filled with My Compassion.<sup>3</sup>

Mary runs head on into she perceives as wrong.

She prayed for change in peoples lives and she confronts those in error.

She does not like confrontation—

But her passion that all are in right standing with Me supersede her natural shyness and discomfort with conflict.

She becomes overwhelmed with the need to help or speak on My behalf—

Even when this is uncomfortable.

She has learned quickly to give everything to Me and allow Me to fight her battles.

Mary is My Worthy Warrior.

I have plagued Mary with dreams of her Missions.

She will be equipped with special armor that will allow her to draw to Me as many as possible,

As wells defend and stay clear of the enemy.

She will be pursued at every turn by the enemy.

But, they will never catch her.

Some of her dreams are very puzzling & she wonders their meaning.

I give them to prepare the soul for what is to come.

When she returns she will work tirelessly to help repair the Church.

She will find specific people and rescue them.<sup>4</sup>She will share the gospel with all she crosses paths with.

When I began giving Mary these dreams—

She did not understand they were from Me.

But over time she has learned that they are.

She used to wonder how "she" could do any of what these dreams show.

She is now willing and will be used to achieve all of these things and more—

Through My Power.

I have many "Mary's" on the earth.

Many Anointed & Faithful who have dreams of future events—

In which they are in the process of rescuing either the ½ Borns or the Hiders from demons,  
or governments, men, and the like.

Some of these dreams seem sensible and some seem very far fetched.

Every dream involving a Mission will come to pass.

Not all dreams will come to pass, but all of the Mission dreams will certainly come to pass.

If you have these dreams—

You will be fit with armor, that allows for what you see.

You will have teams that you travel with.

You will have the opportunity to change the world!

Those Missions are essential and this is the most incredible way we will physically & spiritually  
save others.

Those of you with rescue dreams—

Rejoice!

Your time to begin working is near!

Your willing heart is evidence of your Love.

## 2

### The Order

First the Anointed Workers of Missions will come and spread My Love and the Holy Spirit  
across the earth.

They will be equipped with teams.

Some of the Obedient Faithful will be one their teams.

They will work together to bring the ½ Borns to Me.

This will happen very quickly.

Then after the Worldwide Rapture<sup>5</sup>—

Many, Many of you who are Faithful who also have rescue dreams-

Will be equipped and returned to earth to help the Rebels come to Me.

Julie, the one before you—

Will be the Leader of these Missions.

You will report to her daughter who will know all of your successes and failures—

And she will report this to Julie who will assign you the next mission.

Julie will return to earth from some essential & difficult Missions.

But most of her work will be in heaven.

Our teams—

Those of you who are called by dreams to work the Rescues will be in teams—  
And you will work carefully together.

After the Rapture—

There will be darkness.

When the Rebels begin to cry out—

Julie will release teams of Rescue Missionaries that Bear Light.

They will spread the gospel

The Holy Spirit and

Light to those that cry out.

Very quickly I will order her to send Masses of My Rescue Missionaries to help rescue the Rebels and Lead the Hiders.<sup>6</sup>

Some of you will Shelter.

Some of you will Teach.

Some of you will Defend.

Some of you will Hide My New Believers.

Others will go out and seek people that you are told to find.

This will always be done in teams.

Some will seek a single person out of a Village.

Others will convert thousands at a time.

Julie will send you out.

Very quickly and before the Mark of the Beast we will snatch the souls that the Antichrist felt would be his!

We will rescue as many as will come.

We will rescue all that are not in Love with wickedness.

It will be a great amount of souls saved for the Kingdom.

Your willingness to Trust Me that what you have seen in your dreams will happen—

And your ability to listen to Julie's voice and obey it with specificity is essential.

Once the Mark of the Beast is complete—

The Antichrist will be assured of who are his.<sup>7</sup>

He will be sure the armies of heaven are off the earth—

with no more souls to rescue.

But, I will sent elite forces—

Special Teams of the best Missionaries on Missions to:

Identify,

Verify and

Take out the Wicked People.

Many Missions will occur after the Reign of the Antichrist s in full swing.

Some of you have had dreams of this.

I have many layers to My Plans.

Rest assured those with dreams & visions—

That what has been brought to you is of Me if it matches these words.

You will be required to follow specific protocols and keep information contained to those who need to know.

This will require keeping your eyes on Me.

The training you have been having and will be having in the coming days—

Are to prepare you to keep your eyes on Me and to listen to My Leaders.

Keep your mind focused.<sup>8</sup>

Do not lose Hope.

Look forward to what is to come.

Some will do Missions with their family—

Others will do them with people perfectly suited for the task at hand.

We will reach every corner of the earth—

And we will collect all those choose Jesus over wickedness.

## 3 Timing

If you have wisely kept your dreams written—

Go back through them.

Look for details that help you identify if they are:

Pre-Rapture,

Post-Rapture, or

Post Mark of the Beast.

"How?" You say.

Think of the details.

What are you doing in the dream?

What is happening around you?

If you are serving people food or providing shelter in your own home and there is an active invasion in the US, you are in the Pre-Rapture period of time.

If it is the blackness, darker than night, it is just after the Rapture.

If you are walking about in a rebuilt world with very modern buildings, it is after the Antichrist is in office.

If you are taking down humanoids or taking down dozens of people who live in sin communities you are in the post Mark of the Beast period of time.

Some dreams may be difficult to identify.

But, I leave clues in your dreams so that now—

As I bring forth this idea and you are wondering—

You will be able to use see what type of Mission you are on in the dream.

There are one other set of Mission dreams that are only given to few Anointed. You will notice various periods of time within the same dream. Come to Me directly for clarification, for the true interpretation needs to be kept from the enemy.

Have Hope Dreamers!

Those Mission Dreams are about to become reality!

"What about dreams that are not Mission related?" You wonder.

Some are to warn.

Some are to inform.

Some are to reassure.

Others to encourage.

For instance, think of a War Dream.

If you are on the ground and view planes dropping bombs—

This is a warning that a literal war is coming to where you live.

If you are flying above the War—

This is a clue that you are viewing this from heaven for that time period.

If you are hiding from the physical enemy, and stay hidden—

This is evidence that you listened to Man over Me, but repented although you are being pursued, I will provide protection.

If you are home & safe, perhaps providing for others—

You are one who was a willing vessel and I will work miracles through you.

If you are attacked and you disappear and the attacker is baffled, or if their weapons passes through you like a vapor—

You are Anointed or Obedient Faithful and are on a Mission during the War and they have no power over you.

If you are walking through walls and flying over people while helping those in the war—

You are Anointed or Obedient Faithful and on a Mission during the War.

If you are training others to use their armor, or sending people out on Missions, or people are reporting to you—

You are a leader in the Anointed.

Can you see how I speak?

Are you learning how I show you?

Dreamers Rejoice!

Your time to shine for Me with your Special Skills approaches.

Prayerfully Prepare.

Read My Words—

For you will have full access to all of them—

Like a walking Bible—

To share with others.

The Words will stay in your soul and the Holy Spirit can & will access them for use.

Trust that I will fit you will the proper team & armor to keep you safe in every situation.

Rejoice to Be Part of the Lord's Army!

Hear Me Roar!

Our Victory is but Moments away!

When we begin—

We only gain momentum.

The more I put in the fight—

The more of evil's army is sent to the pit & off of the earth forever.

At each stage we have more Missionaries,

More Fighters & More Soldiers to bring in My Flock.

Simultaneously they will have less and less of an army until their final defeat.

Rejoice!

The Victory is Already Ours!

Prepare for battle.

Learn to use your Spiritual Armor.

A Holy Roar Arises!

4

11:25

My Mighty Army!

My Mighty Army!

My Dannites.<sup>9</sup>

Some of you have been selected to be God's Warriors.

The Tribe of Dan,

You will be My Special Warriors—

Fitted with amazing Armor.

You will be able to slay all demons, darkness & evil men with almost no effort.

Although all of My Warriors are fitted with Special Armor & Unique Heavenly Weapons,

You, God's Army—

Will have Powers and Weapons that can take down Darkness with no effort.

At times you will be in Tribes with all of your Own Kind to War.

At other times you will be sent with mixed Teams of Leaders, Anointed, & Faithful and you will be their Security Detail.

All Missions & All Warriors will always have the added protection of My Mighty Angels.<sup>10</sup>

But you, God's Warriors are Mighty.  
You have the inborn natural desire to conquer.  
This will be turned mightily on evil.

Some of you are small people.  
Others are large and muscular.  
Your new bodies after—  
    Either your Translation or Rapture—  
    Will ALL be mighty.

Have no fear.  
You will be suited with My Power and nothing will be able to conquer you.<sup>11</sup>

You will indeed have some fights with the Principalities that take effort and are for several days.  
But you will not tire, and you will not lose.

Your training is soon coming.  
Prepare by reading all of the Mighty Battles in the Bible.  
Look at what gives them success?  
It is Me behind it all.  
Look how I provide.  
You will be a Fearless Force for Me.

## 5 Focus

Have Hope all you who are under My Wing.<sup>12</sup>  
You will all have an Essential Role to Fulfill in the End Times—  
And for the preparation for The Kingdom of Christ Jesus the One & Only Messiah.  
Keep focused Warriors!  
This is essential.

\*\*AT this point I was told to tell you a dream I had about a soldier in training back in March.  
(insert here)

ALL not matter what your role—

are to be suited with My Special Armor.

You will need to understand how to stay focused on Me.

That focus begins now.

What is to come, will come with more distractions.

Look at Me through all that is to come before you are suited in My Heavenly Armor.

Every Anointed, Faithful and ½ Born that comes,

All will need to learn to focus, if not yet mastered.

Understand what I show you.

Understand what I say.

Every command I give—

Has a purpose behind it.

Those that immediately obey are noted & selected for use.

Be of the Obedient.

Allow Me to use you as a willing vessel.<sup>13</sup>

What is to come will be different than anything you have ever considered.

My Plans are Higher than Yours.<sup>14</sup>

Trust me.<sup>15</sup>

I have what is best in Mind.

Learn to Master Prayer.

Learn to Master your Bible.

Learn to Master your Trust.

Learn to Master your Obedience to Me.

Some of you say, I do not want to be a warrior.

Some of you fear.

Your understanding of war is only what the evil one has glorified.

Recall Jericho.

Recall Gideon.

Recall the Armies that were lead away from Elijah.

This is how I war.

You will see miracles and provision that your brain cannot yet understand.

The full display of My Might will be on display as you walk obediently to rescue, and protect.

# 6 12:50 Understanding

Some of you are confused.

You wonder, "But I don't understand, I can't tell what My dreams even mean."

Remember the purpose of dreams.

Not every dream will occur.

Only the Dreams of Missions will certainly occur.

If you have Mission dreams that you cannot decipher or identify the time period in which they occur you have 3 options.

1. Trust it will occur when it will, leave it in My Hands & wait and see.
2. Write out the dream and recall as many of the details as possible. This about colors, odors, time of day, season, what people were wearing, what their attitudes were like, take note of buildings, and the like. See if any of the clues help you to identify the timing. Pray about it. Ask Me to help you.
3. If you still do not see the meaning or timing, give your detailed writing to Julie, and see what insights she might have. She has been gifted with the same ability to decipher dreams as Daniel.

"Why do I send people these dreams anyway?" You may wonder.

Hope.

When any difficulties before you arrive—

With Hope of what is to come—

Sprinkles of information that help you to see some of My Mighty Plan—

And assured Victory will renew your Hope!

When My Own see the Victory already in hand Hope is the result.

All of Heaven is rejoicing.

The Long Awaited Victory for the House of God.

Rejoice!

Keep your focus on Me through the storms—

And keep your Hope up.

We are the Victors!

Never lose sight!

God.
