A Call to Prayer & Directives

Julie & Anointed ~ Anointed & Faithful ~ Faithful ~To All ~ Pray

1 Julie & Anointed

Pray in the Power of the Holy Spirit against evil forces & darkness starting today.

When it is conquered in the Spirit in Prayer

I will show a sign in the sky.

A sign it is time to go.

Keep praying against them until you see the sign.

This small break in the fight will clear the way for you to come to Me.

The Angels that Fight for you need all the Prayer Power you have from now until the sign in the sky.

When the things shift in the Spiritual,

You will hear Me call your name— Julie.

What unfolds after will be new.

The world will see one thing but you will know it means another.

You will know it is time to go.

Pray

Listen for your name.

Then you will know you can look to the sky.

When I call your name(this included all Anointed/Obedient Faithful)—

It is time for you to go that day.

Expect to see an angel.

2 Anointed & Faithful

From today Friday until the end of the 3rd day after Julie's last words,
after the Human Uprising— Pray.

If you have not heard your name by this time, repent and prepare to receive My Full infilling of
the Holy Spirit and Full Protections for the Uprising, War, and Beginning of Sorrows.

All Anointed,

From Julie,
To the Anointed Leaders,
To the last Anointed will pray & see the sky
And hear their name and go.

Begin today.

Pray with all the Power and Time that you have.

This brings strength to your Angels.

3 Faithful

If you do not think you are Anointed, pray for them and their safe journey to Me.

Have Hope.

The time approaches.

The Time is here.

Do not care what goes on in the World.

Just stay focused on Me.

No matter your category—

Stay focused on Me.

Always recall what the evil one means for bad—

I mean for good.

Nothing you soon see will turn out as man, plans.

Trust me & You will be fine.

Trust man and your days will be very difficult.

Focus on Me.

Rejoice when you see chaos and strange things.

This means the Beginning of Sorrows has begun and Your redemption draws very near.

Recall those in Me will be kept through all manner of challenge.

Chaos, War, Lack of Provisions,

I will even guide you through—

and steer you clear of following the false messiah

and use you to the brining in of the harvest, the ½ borns, will come.

Stay firmly in Me.

4 To ALL

In the next few months, everything will irreversibly change in the world.

There is no turning back.

Choose this day whom you serve.

Jesus My Son, is the One & Only Messiah.

All who follow His Commands Love Him and Love Me.

Not just as a way to safety.
