3:45 am

All Will Bow & Mine Will Shine

The young will see.
The old will see.
All will bow before the King.

His Glory will descend on the earth.
More glory than any painting.
Brighter than the sun.
Larger than thought possible.

My Son, Jesus Christ, will come in Glory with Regal Beauty beyond any earthly King.
Every heart will know that Jesus is the True Messiah.
Every heart will know Jesus is King.
Those who chose Him will rejoice.
Those who rejected him will be in shame.

The whole earth will celebrate in His arrival.
The trees will cry out,
The rocks will shout,
The plants will sing His praises.
The animals that are his, will celebrate
The joy will be untamed.
Each person's deepest longings fulfilled.

At His command Holiness will occur.
The Land will change.
His people will be assembled.
All with humility will Praise toward Him.
A perfection that has never been known on the Earth will be given to His people.
 Profound changes will occur.
 Each one will come before Him and be healed.
 The trials of this life will be muted
 and the perfection intended will replace what has become.
No one can pretend to know the changes that will occur.
The whole earth will see.
The whole earth will rejoice.
Every knee will bow.
Every tongue will confess that Jesus is Lord & King.
All of Heaven will rejoice for the rule of Christ the King.

4:31 am

For the Glory of the Lord will descend upon each one who is of true faith.

Everyone will know who is Full of Faith.

His light will wrap around and with in and through each one.

Things unseen.

Mine will shine forth.

Mine will testify of Me.

Mine will bring miracles & healing.

Mine will be as Christ, spreading My Love.

The deaf will again hear,

The lame will walk

The diseased will stand & walk and be clean.

All glory to goes to God the Father & Christ the Son.

None of mine will bring themselves glory for they are not he source of these things.

My Anointed will beam forth first, then the obedient faithful.

The world will be amazed at the wonders that are seen from My Bright Ones.

Man will follow.

Man will see that Christianity is real.

The sleepy church will awake.

Mine will be whole & work together in love.

Mine will spread love, joy & peace.

Those who do not believe will be stubborn, evil, willful & selfish.

Their shame will be discovered in the thick darkness of the great tribulation.

The earth will be covered n thick darkness just after the rapture.

Pain torture, horrors too difficult to imagine will come to those on the earth.

All but the evil and wicked will cry out to Me.

I will save as p=many as will come, before the final choice.

Miracles unseen will occur for those who choose Me.

In contrast those who are filled with evil & wickedness will also be filled with hatred of everyone good.

The war that has always raged on in the spiritual will be manifested in the physical.

Mine will stand firm.

The unseen will be seen.

Rejoice for the end had been seen.

The Adversary is jailed.

The Evil rulers are haunted.

Those filled with evil & wickedness are taken to the pit.

The harvest is near. Rejoice!
