My Gems

Who is like the Lord?

I know the Beginning from the end.

I know all hearts.

I know all plans of man.

I know all good & all evil.

There is none that can be hidden from Me.

I love Mine who are pure in heart.

They seek My Face & they know My Ways.

They seek purity & holiness on a daily basis.

The plans of the evil, wicked and prideful are like a stench to Me.

They lack wisdom, joy, & humility.

They believe all will follow along with their ways.

They are trapped already, but they are like the mouse that can only see the cheese not the trap.

Anointed- you are prepared.

ready to go.

pure in heart.

ready to serve.

Obedient Faithful — you are prepared.

ready to serve.

ready to lead.

You are My Gems.

Like a sparkling diamond, each facet that reflects My Bright Joy to others.

Continue to pray.

Store up many prayers for they will be applied at the right time.

Do not swerve to the left or to the right as these last moments pass by.

Keep your focus on what is to come.

If I bring a few last people to you before the transitions,

Help them find Me.

There are a few more that will come before the war.
